

CONTRACT LET FOR NEW FACTORY BUILDINGS

Henry Soule Lands Thirty Thousand Dollar Contract For Construction of Set of Four Buildings For Libby, McNeil & Libby.

TOTAL INVESTMENT TO EXCEED \$50,000;
EMPLOY HUNDRED PEOPLE YEAR AROUND

Work to Be Started Next Monday—First Building to Be Completed Within Forty Days From June 13th—Entire Set of Four Buildings To Be Erected Within Ninety Days.

Saturday, June 13, Henry Soule returned from Chicago bringing with him contracts signed by Libby, McNeil & Libby of the Chicago stock yards for the construction of four buildings in the city of Alma, construction work to be started at once. The contract calls for the erection of one building 90x128 one story frame completed forty days from the date of signing contract, June 13.

Ninety days is allowed for the completion of the four buildings, which in general construction and size are as follows:

Warehouse, 90x128, one-story frame building, cement piers and extra heavy construction throughout.

Process building, two story and basement, 90x96 to be built of brick. The floor of this building to consist first of rough lumber covered with three thicknesses of tar and felt, especially prepared to make it waterproof, this preparation in turn to be covered by tightly matched two-inch flooring.

Salting building. This will be a frame structure 90x96, constructed similar to the warehouse, heavy timber to be used throughout the building.

Boiler house will be of brick, 28x50, and the contract calls for the best workmanship in construction.

The buildings are to be erected on a five-acre tract of land between Michigan and Hannah avenues, northeast of the Little Giant Hay Press buildings. The building farthest east will contain the company's office, the remainder of the building being utilized as a warehouse. The center building, known as the Process building, will be equipped with fire-proof doors and windows and connected with either of the other two main buildings by means of bridges. A dock or platform 360 feet long and ten to twelve feet in width, will extend the entire length of the buildings adjoining the railroad siding, permitting a large number of cars to be loaded or unloaded at the same time.

Mr. Soule's contract, which calls for an investment of \$29,397, represents the construction of the buildings alone and does not include the interior equipment, which calls for a passenger and freight elevator in the Process building, the erection of a large number of tanks and vats and installation of machinery and other paraphernalia used in the various departments of the company's work. An estimated investment of \$50,000 will be used in the erection and equipping of the buildings.

Fifty carloads of building material will be used in the erection of the buildings.

Libby, McNeil & Libby now have forty salting stations in Michigan, the entire output of which will be sent to the Alma plant to be prepared for market. It is expected that the company will employ 100 people the year around at the Alma plant and this number will be increased as the business develops.

The growth of the business depends largely upon the farmers of this part of the state, Gratiot county in particular. The company will contract for acreage of cucumbers, cauliflower, tomatoes and other farm products, and the acreage grown will largely determine the future growth of this concern which present indications indicate would be of inestimable value to the farmers of Gratiot county as well as to the city of Alma.

The Record joins with Contractor Henry Soule's many friends in extending congratulations upon his securing the contract and hope that when the ninety days have come and gone the work will have been completed and enough of the contract price left in his possession to thoroughly compensate him for the work undertaken.

The work of getting in the railroad sidetrack is already under way and Mr. Soule expects to commence actual work on the plant Monday, June 22.

Other independent games will also be scheduled and billed.

Alma's schedule in the Hub League is as follows:

At Home—Clare, June 19; Coleman, June 23; Ithaca, July 7; Shepherd, July 10; Mt. Pleasant, July 14; Clare, July 21; Ithaca, July 29; Coleman, July 31; Shepherd, Aug. 11; Mt. Pleasant, Aug. 14.

Way—Clare, June 16; Coleman, June 26; Shepherd, July 7; Ithaca, July 17; Clare, July 24; Coleman, July 28; Mt. Pleasant, Aug. 6; Shepherd, Aug. 6; Ithaca, Aug. 13; Mt. Pleasant, Aug. 14.

COMMENCEMENT CONCERT.

The commencement concert was given Tuesday evening in the College chapel by Miss Helen Mayer, violinist, of Chicago, who recently returned from Berlin where she has been studying.

Miss Mayer was assisted by Miss Theo Amshury, accompanist, and Miss Bonnie Fuller, soprano. Miss Mayer played four movements of a Handel Sonata, Nardini's Konzert, the Svendsen "Romance," and Tor Aulin "Humoresque." Her last group consisted of a Zipoli "Aria," Mehul "Gavotte" and Daquin's Le Coucou, all arranged by Press.

Miss Fuller sang "From the Land of the Sky Blue Water," "Michele," "In a Garden," and "The Wren."

Miss Fuller sang "From the Land of the Sky Blue Water," "Michele," "In a Garden," and "The Wren."

A COLLEGE WEDDING

Miss Marie Haeffiger and Mr. Graves to Be Married

AT WRIGHT HALL THIS EVENING

Dean of Women of Alma College Becomes Bride of Michigan Central Traveling Auditor

This evening will occur the first wedding to be solemnized in Wright Hall and the first real "college wedding" Alma has known, when Miss Marie Haeffiger and Mr. Stanley A. Graves of Detroit will be united in marriage.

The ceremony will take place at eight-thirty in the large reception room of Wright Hall. Miss Velma Sharpe will play Mendelssohn's Wedding March and the ribbon bearers, Master Joe Graves and Miss Esther Rhodes, dressed in white, will enter and form the aisle with white ribbons. They will be followed by Rev. Dr. J. M. Barclay, the groom and his best man, and the ushers, who come in from the faculty room and await the coming of the bride in front of an altar placed before an embankment of palms and ferns. From the opposite side the flower girl will enter, strewn flowers in the aisle and will be followed by four bridesmaids and the maid of honor. The bride with her brother, William Haeffiger of Evanston, Ill., by whom she will be given away, will enter last and Dr. Barclay will perform the ceremony, using the ring service. During the ceremony Miss Sharpe will play Liszt's Liebestraum. Following congratulations and wishes fruit punch and bride's cake will be served to the guests.

The reception room of the Hall is beautifully decorated with palms, ferns, pink roses and sweet peas, and the fireplace is of solid green before which the altar stands.

The bride will be gowned in white satin, made with a court train, with trimmings of pearl and old lace, and will wear a bridal veil. She will carry a shower bouquet of white sweet peas. The bridesmaids will wear white crepe with pink roses and carry bouquets of pink roses and daisies. The groom and his attendants will wear dress suits and white kid gloves.

Miss Eleanor Haeffiger of Holland, Mich., sister of the bride, will act as maid of honor and the bridesmaids will be the Misses Edith Carey and Kathryn Shay of Harbor Springs and the Misses Marie Cornwell and Mary Blaisdell of Alma. Miss Katherine Clarke of Harbor Springs will be the flower girl. The best man will be Paul P. Robins of Hillcrest Orchard, Empire, Mich., who attended Alma College in 1905-'06, and is a life-long friend of the groom's. The ushers will be the Messrs. Joe Graves of Detroit, brother of the groom, Earl Allured of Ewart, Theodore Higbee and Allen French, students at the college.

The couple will leave late tonight for Colorado Springs, where they will spend two weeks and on returning will commence housekeeping at 131 Pacific avenue, Detroit, where they will be at home to their friends after September first.

Among the out-of-town guests to be present are Mrs. Nellie A. Graves, mother of the groom, Mr. and Mrs. Joseph F. Graves of Royal Oak, Mich., Mr. and Mrs. George B. Graves of Detroit, Prof. and Mrs. Koepinski of Ann Arbor, in addition to those participating in the ceremony.

Miss Haeffiger is a graduate of Northwestern University and after serving one year as member of the faculty as instructor, she was last year honored by being offered the position of Dean of Women of Alma College, which position she has filled to the entire satisfaction of all concerned and has made hosts of friends in Alma among the students, faculty and townspeople.

Mr. Graves graduated from Alma College in 1910. During his student days he was editor of the Weekly Almanian, president of the Zeta Sigma society, and one of the most popular young men at Alma. He is now employed as traveling auditor for the Michigan Central railroad. Their multitude of friends at the college, in the city and throughout the state extend most sincere congratulations and good wishes.

MONDAY'S ELECTION.

The withdrawal of L. C. Wright as candidate for Justice of the Peace on the Democrat ticket, and his acceptance of the nomination on the National Progressive ticket leaves the Democrats without a candidate. The Democratic city committee have the power to fill the vacancy, but as yet, Thursday morning, nothing has been done. The probabilities are that E. N. Chadwick, the Republican candidate, and L. C. Wright, the candidate of the National Progressive party, will be the only contestants for the honors at next Monday's election. The Republican candidate, Mr. E. N. Chadwick, has served the city and village as Justice of the Peace for sixteen years, and is a man perfectly familiar with all of the requirements of the office.

L. C. Wright is an accountant of recognized ability and for years was in the employ of the Union Telephone Co., when their general offices were located in this city.

Owing to the large amount of new property the First ward shows the largest increase. Omitting the personal property from the figures and taking the real estate alone the increase in the various wards is shown below:

First Ward Real Estate.
1914 assessed valuation \$693,645
1913 assessed valuation 401,875

Second Ward Real Estate.
1914 assessed valuation \$291,770
1913 assessed valuation 171,700

Third Ward Real Estate.
1914 assessed valuation \$255,900
1913 assessed valuation 171,700

Fourth Ward Real Estate.
1914 assessed valuation \$349,850
1913 assessed valuation 213,950

Inc. valuation, 63.04 pct. \$160,150
1914 assessed valuation \$255,900
1913 assessed valuation 171,700

Inc. valuation, 49.03 pct. \$84,200
1914 assessed valuation \$349,850
1913 assessed valuation 213,950

Inc. valuation, 63.52 pct. \$135,900
1914 assessed valuation \$349,850
1913 assessed valuation 213,950

The total real estate value of the four wards as given by the 1913 Board of Review was \$1,391,825. The 1914 value as shown by the Board of

Review is \$2,163,555, an increased valuation of \$771,730.00.

The personal property of the city is placed at \$607,155, divided into wards as follows:

First Ward Personal.
1914 assessed valuation \$128,975
1913 assessed valuation 88,725

Second Ward Personal.
1914 assessed valuation \$40,250
1913 assessed valuation 28,825

Third Ward Personal.
1914 assessed valuation \$58,465
1913 assessed valuation 47,375

Fourth Ward Personal.
1914 assessed valuation \$110,910
1913 assessed valuation 72,825

Increased valuation \$38,085
1914 assessed valuation \$58,465
1913 assessed valuation 47,375

Decreased valuation \$240,120
The total assessed valuation of the personal property of the city in 1913 was \$757,850, in 1914 \$807,155, while the value of personal property throughout the city has been raised yet a deficit in the total 1914 assessment is seen. This is largely accounted for by the removal from the taxable property of the Fourth ward of \$250,000, which last year was assessed as personal and this year is either exempt by bond purchase or paying taxes through other channels.

The state is determined that all property real or personal shall be placed upon the tax rolls at its cash value. In the work done in Alma Mr. J. M. Keeth of the state tax commission speaks in the highest terms of the Alma Board of Supervisors as well as every member of the Board of Review, all of whom he said were apparently willing and anxious to comply with the spirit of the law governing the work.
